

# Jingle Bell Rock

**D**                **Dmaj7**                **D6**                **D**  
Jingle bell, jingle bell, jingle bell rock

**D**                **B7**                **Em**                **A7**  
Jingle bells swing and jingle bells ring

**Em**                **A7**                **Em**                **A7**  
Snowing and blowing up bushels of fun

**A**                                **Em**        **A7**  
Now the jingle hop has begun

**D**                **Dmaj7**                **D6**                **D**  
Jingle bell, jingle bell, jingle bell rock

**D**                **B7**                **Em**                **A7**  
Jingle bells chime in jingle bell time

**Em**                **A7**                **Em**                **A7**  
Dancing and prancing in Jingle Bell Square

**A**                                **D**  
In the frosty air

**G**                                **Gm**  
What a bright time, it's the right time

**D**                                **D7**  
To rock the night away

**E**                                **E7**                **A**  
Jingle bell time is a swell time

To go gliding in a one-horse sleigh

**D**                **Dmaj7**                **D6**                **D**  
Giddy-up jingle horse, pick up your feet

**D**                                        **B7**  
Jingle around the clock

**G**                **Gm**                                **E7**                **E**  
Mix and mingle in the jingling beat

**Em**                **A**                                **D**  
That's the jingle bell rock
